

# ATTENTION ALL TXSRMA MEMBERS!

IRS has recently released new 403(b) regulations and the proposed model plan language, effective 01/01/09.

**Do you know what they are? Are you ready?**

Mullen Pension & Benefits Group, LP, and Carol Dedischew, an attorney with a constant pulse on the IRS and the new regulations, will be speaking about this hot topic at the upcoming TXSRMA Conference in April.

Your District needs to be at this presentation! Make plans now to attend the April conference!

TXSRMA, in an effort to expand services and bring value to their membership, will be making The Mullen Group available to your District, for a personalized two hour workshop on the 403(b) topic for your District benefits department, at no charge.
